Location

Baldonnell Business Park is strategically located with a high profile boundary fronting onto the N7, the main arterial route linking Dublin with the key provincial cities of Cork, Limerick and Waterford. The Park is bounded to the northwest by Baldonnell Airport, and overlooks its major runways.

It is just 5 km (3 miles) from Dublin's orbital motorway (the M50) linking the North, South and West of the city. Baldonnell Business Park is just 30 minutes from Dublin Airport, 30 minutes from Dublin City Centre and 40 minutes from Dublin Port. Access to international and domestic markets is simple and assured.

In addition to its pivotal position adjacent to the N7 the development also benefits greatly from its easy access to the Outer Ring Road.
